

Dear Incoming MVCS Family,

Missouri Valley Christian School strives to live by our Mission Statement. In an effort to do so, we kindly ask each family to take the time to familiarize themselves with the school's policies and procedures. By reading the Family/Student Handbook in its entirety, you will feel more informed and comfortable as your child begins his/her educational journey with us at MVCS.

We look forward to maintaining a unified structure of academia and a Christ-centered environment in which children may learn and grow!

Please sign and date on the lines below to indicate that you have read and agree to the terms of the handbook. Missouri Valley Christian School must have a signed copy on file for each student who is enrolled. **Your child's enrollment cannot be considered until this document is received. Thank you!**

Please send or email the signed & dated form ASAP to Leanne Larson, 25064 SD Hwy 50, Pukwana, SD 57370 or missourivalleychristianschool@gmail.com.
